

CORNER FRINGE MINISTRIES Zech. 8:23 India

JUNE 2021

AMAZING PRAISE REPORT FROM CFMI

All of you who follow Corner Fringe Ministries India know there are major obstacles to overcome. For some time, we have had two major problems in regard to the orphanage. There has been a need for a bathroom, and the additional land we purchased a year ago needed to be paid for. We, in India, have not stopped praying for these things. In addition, the online community affiliated with Corner Fringe Ministries has continued to partner with us in prayer every Tuesday night via zoom.

We have not been weak in faith, and recently those prayers were answered. A group of people from the Hindu community visited our house one day. This actually made my father scared as he was thinking in his heart, "Did I make a mistake, and now they want to confront me?" They had been observing my father, and instead of anger, they told him, "Pastor, don't worry. We are here to help you." My father was shocked because it is unusual for a Hindu community group to want to help a Christian community. They told my father that as they were on their way to the fields each day, they observed what was being done at the orphanage. They observed how the children were being cared for. They observed how the children were being educated and were being taught the fear of the LORD.

This group of Hindu people then told my father that they wanted to help by constructing a bathroom. They knew there was an urgent need for a bathroom. At no cost to us, these people supplied the materials and labor for a one-stall bathroom! We have been blessed and are so happy because the LORD answered our prayers.

The second answered prayer was in regard to the land we purchased last year for the orphanage. This land is for future expansion as the need to help orphaned children continues to grow. We had paid almost half of the amount we owed on the land, but the owner was starting to put pressure on us for the remaining amount owed.

Just like we had prayed for the bathroom, we were praying for the money to pay the remaining balance owed. During a conversation with a family from the Fellow Fringers online group, a commitment was made and money sent so we could pay off the total balance owed! We now own the land and are praying for the LORD's direction in regard to how we should proceed with expansion of the orphanage ministry.

CHILD OF THE MONTH - CHARAN

Last month, you read about AKHIL who we met while doing street evangelism. This month, I want to introduce Charan. I don't know much about his past, but he is another child we met while doing street evangelism.

We had traveled to a village about 500 kilometers from our home. After we were done in that village, we were traveling home and noticed Charan beside the highway digging in the garbage for food. We had received around \$200 dollars in offerings that evening from those who attended the street evangelism meeting. With that money, we went to a restaurant and purchased food for Charan to eat. We also purchased him new clothes.

I remembered that night because we borrowed some money before we started on that particular ministry journey. Our family thought that with the \$200 we could pay back the loan. But unexpectedly we used that money for Charan's food and clothes. That was the will of God; that is why all of that happened.

HABBIT: Charan is very interested in dance. He has had very little education in his life prior to coming to live with us at the orphanage. Now, however, my mom and my brother Vikram are working with him to educate him. Slowly, he is improving in his education.

CHARAN 2016

CHARAN PRESENT

BOTH ARE FRIENDS

Pray for CHARAN as he continues to grow and learn under the care of the Yamarthi family. May he become a mighty warrior for the Kingdom.

PLEASE CONSIDER SUPPORTING THE ORPHANAGE

There are 12 children living with the Yamarthi family and additional children are periodically blessed by the family through support of food and clothing.

It costs over \$150/month/child to provide food, clothing, lodging, school supplies, transportation, medical care, resources for the kitchen, and extra help when needed. **We would like to see 60 families commit to \$30/month for one year to cover the annual operating costs of the orphanage.**

Please pray for the wellbeing and spiritual growth of all the children who receive care from the Yamarthi family.

STREET EVANGLISM

Due to Covid-19 and the national lockdown in India, we have been forced to cancel the street evangelism trips we were planning to do outside of our local region. We have, however, been doing street evangelism in our community and those nearby.

Recently, a woman came to our home and told us she was suffering with a demonic spirit for the past 2 years. She is the wife of one of the Hindu people who built the bathroom at our orphanage home. She shared her struggle with us. She had not been able to eat or drink normally because she struggles with being unconscious much of the time. She had seen many doctors and spent almost \$3000 for hospital and medicine expenses. One of the Christian believers said to her, "You have spent almost \$3000 on doctors and medication with no results. Please go to the Yamarthi family and share your problem with them. They will pray for you, and God will heal you."

When she came to us, we told her the story from Scripture about the woman who had been suffering with the flow of blood for many years. We prayed for her then, and we prayed for her every day morning and evening. After a few weeks, her family observed a great change in her eating and doing things on her own without another person helping her. She is not 100% healed. She continues to need prayer for more healing. Please pray for this situation and her salvation.

Pray for this woman's healing, her husband's repentance, her children's spiritual life, salvation for her whole family, and her health and spiritual life.

Please pray for our street evangelism. Specific requests include surrendered hearts, financial resources, a ministry van, Telugu Bibles, and a new sound system.

Then Jesus spoke to them again, saying, "I am the light of the world. He who follows Me shall not walk in darkness, but have the light of the life." John 8:12
