

CORNER FRINGE MINISTRIES Zech. 8:23 India

JULY 2021

AMAZING PRAISE REPORT FROM YAMARTHI FAMILY

We recently had a serious health issue. Early in the morning on June 19th, my father went to use the bathroom. After about 15 minutes, we noticed he did not come back. I, Vijay, went to check on him. The bathroom door was locked from the inside, and he was not responding. I forced the door open and found my father on the floor. We called the ambulance immediately. He was admitted to the hospital where doctors observed him for 2 days. After a series of tests, they informed us he had suffered a heart attack. He was having difficulty breathing, and, therefore, his oxygen level was low.

I immediately shared this information with the Corner Fringe online community, and people started to pray. For two weeks we all prayed as he was in the hospital that whole time. Finally, they let him come home. He is recovering quickly and getting back to his ministry work.

Thank you very much to all those who prayed for him and continue to pray for our family. We appreciate this very much!

CELEBRATIONS AT OUR ORPHANAGE HOME

1. Recently we celebrated another birthday. One of the boys at our orphanage home named Abhi had a birthday. We are filled with much joy for having Abhi in our lives and to be able to celebrate his birthday. We had fun, ate delicious cake, and special food. Please check the Google link for more photos
2. We recently received a gift package from one of our beloved sisters in the Lord, Katie R Chlad. She and her family sent some fun toys and gift to our children. The children especially loved the balloons. They jumped with excitement and played a lot with those toys. They enjoyed them very much. I hope you can see the excitement on their faces in the photos. CHILD OF THE MONTH - AKHIL

Last month you read about Charan who we met while doing street evangelism. This month I want to introduce Akhil. We are fortunate to know about some of his past because of what his mom had shared with us.

Years ago, we were engaged in doing street evangelism and preaching in Akhil's village. We told the people that if they had any problems or burdens, they should ask the Lord, and He will free them from those problems. Akhil's mother came to us with her children. We prayed for her and the children. The very next week, we went to the same village, and she again came to us for prayer. She told us that her husband had died two years earlier from AIDS. She then was tested and tested positive for AIDS. The doctors told her she would soon die from this disease as she was in the second stage of progression. She cried as she told us this story. We prayed for her then and continued praying for her during our daily family prayer time. After leaving that village, we did not see her or talk to her again.

In 2014, we returned to that same village to once again engage in street evangelism and preaching. We heard the sad news that she had passed away. Her children were living with their grandparents. We visited them, and the decision was made to bring them back to our orphanage home. They are now part of our family and are loved very much. We do our best to show them the love of God through our care and provision for them. This is a little of the story of Akhil.

Akhil is very interested in playing marbles. His challenges are that he struggles in the area of remembering. He tends to do things very fast, and as a result, he makes mistakes. He struggles with emotional outbursts and handling things correctly. We are doing our best to lovingly discipline him and bring positive correction. Please pray for Akhil.

AKHIL 2016 TO 2021 TRANSFORMATION

*Pray for AKHIL as he continues to grow and learn under the care of the Yamarthi family.
May he become a mighty warrior for the Kingdom.*

PLEASE CONSIDER SUPPORTING THE ORPHANAGE

There are 12 children living with the Yamarthi family and additional children are periodically blessed by the family through support of food and clothing.

It costs over \$150/month/child to provide food, clothing, lodging, school supplies, transportation, medical care, resources for the kitchen, and extra help when needed.

We would like to see 60 families commit to \$30/month for one year to cover the annual operating costs of the orphanage.

*Please pray for the wellbeing and spiritual growth of all the children
who receive care from the Yamarthi family.*

STREET EVANGLISM

Due to Covid, and the national mandates instituted as a result of this plague, we were forced to stop doing street evangelism. We have been evangelizing on a regular basis for 22 years, and this was difficult for us.

However, recently we received several phone calls from people in different villages. Twelve community members from different villages told us they had heard our message when we had been in their villages 5 years ago and they wanted to start observing Sabbath. They had gone to the village administrator to get our contact information so they could contact us.

The way it works in India is that before we go to a village, we must ask for permission to preach in that particular village. We send a letter to the village administrator asking for permission to preach in their village. This is how they have our contact information.

I am so happy about this news! We have an opportunity to establish Sabbath keeping churches in 12 different villages. We have prayed about this opportunity, and we, our family, have decided to rent a house in each village to provide a place for the people to meet. In addition, we would like to appoint 12 Corner Fringe Ministry India associate pastors, one to each village. The estimated rent per month for each building will be \$28 for a total of \$336 per month. This will provide opportunity for people in 12 different villages to observe the Sabbath and develop a Christian community. We consider this a great opportunity from YHWH. Would you please consider partnering with us and praying for this mission?

Please pray for our street evangelism. Specific requests include surrendered hearts, financial resources, a ministry van, Telugu Bibles, and a new sound system.

And He said to them, "Go into all the world and preach the gospel to all creation."
